Clarisse

Puisseguin Saint- Emilion

THE HISTORY OF CHÂTEAU CLARISSE -

Driven by the passion for wine and the taste for challenge, Olivia and Didier Le Calvez have been signing their own wine since 2010 in one of the most illustrious regions of the Bordeaux constellation, a UNESCO World Heritage Site. The Saint-Emilionnais.

After several years of research started in 2007, the dream of Olivia and Didier took the form of an authentic Gironde stone tucked in the green landscape and all in gentle curves of the right bank. This old winery with magnificent wine cellars, which for more than a century has been in the hands of the Estager family, is surrounded by a beautiful vineyard (perched at 89 meters) on the plateau of Puisseguin, one of the four "satellite" villages of Saint-Emilion. Only a humble brook, the Barbanne, a sub-tributary of the Dordogne, separates them from the illustrious strong city.

"After two years of research, we had a real favorite for a vineyard property combining ideal terroir and climate, combined with a perfect vineyard, 80% Merlot and 20% Cabernet Franc. To develop a wine as I imagined it, rich in perfume and subtle".

Thus was born Château CLARISSE, the name of their daughter (who was three years old at the birth of the first bottle, in 2010), to write a beautiful family story...

Planted Area: 5.11 hectares

Grape Varieties: 85% Merlot, 15% Cabernet Franc

Age of Vineyard: 35 years old

Type of Soil: Clay-limestone/Clay siliceous

Wine-making process: Wine-making with whole fruits (no treading), fermentation in thermo-regulated cement vats, in small quantities for parcel selection

Maturing: 20% in new barriques and 80% in year-old barriques

VINCENT GIRARDIN

BOURGOGNE

Vincent Girardin , born with a passion for wine.

The history of Maison Vincent Girardin is relatively recent. In 1980, at the age of 19, Vincent Girardin, the son of a family of winegrowers based in Santenay since the 17th century, decided to strike out on his own, and began producing wine from two hectares of vines that he had inherited from his parents.

From his earliest youth Vincent had a passion for working with vines, and great respect for the potential that they represent; his ambition was to produce his own wine.

The quality of his wines was quickly recognized by connoisseurs all over the world, and this enabled him to expand his activity, focusing primarily on the great white and red wines of the Côte de Beaune.

A collection of Burgundy wines by Vincent Girardin with the same standard of excellence

To cope with the growing demand for his wines, he developed an approach that was new in Burgundy: he purchased grapes from producers who shared the same philosophy and the same high standards.

In the years between 1980 and 1990 his passion and curiosity led him to try all of the techniques that were being employed at that time. It was only in the early 2000s with the arrival of Eric Germain as winemaker, that a profound change began to take place. They decided to concentrate on the essence of the wines: the expression of the great terroirs of Burgundy. A new purity of style was born, which has now been acknowledged by all winemakers.

In the heart of Chablis, in Burgundy, Louis Moreau produces and sells exceptional wines, worldwide recognized.

Planted 100% with Chardonnay grape variety, on the unique terroir of Chablis, the vines of Domaines Louis Moreau are spread over the 4 levels of the appellation: Petit Chablis, Chablis, Chablis 1er Crus and Chablis Grands Crus.

Chablis is the “Golden Door of Burgundy”, 180 km away from Paris, going South-Est. Its vineyards cover more than 5400 hectares, over 18 villages representing the following appellations :

Petit Chablis (1010 Ha)

Chablis (3540 Ha)

1ers Crus (786 Ha / 40 climats)

Grands Crus (100 Ha / 7 climats)

producing 40 million of bottles, or 20% of the volume of wines produced in Burgundy (65% of the sales are Export).

Composed 100% of Chardonnay grape variety, Chablis terroir takes its unique typicity from a soil called “Kimmeridgien”, made of layers of limestone and clay 240 million year-old and keeping in its layers ammonites and fossilized oysters (ostrea virgula) that give to it such a unique expression along with minerality and purity to the wines.

VINCENT BACHELET

GRANDS VINS DE BOURGOGNE

Originally from Maranges and son of Bernard Bachelet, Vincent settled in 2008 in a splendid building which runs along the prestigious road of great wines. For 3 generations, the wine and the work of the vine have punctuated the seasons of the Bachelet family. His farm is home to spectacular vaulted cellars dating from the 18th century.

With nearly 17 hectares of vines, the estate covers ten villages mainly based on the Côte de Beaune. Vincent Bachelet perpetuates the paternal line of Bernard Bachelet with a reasoned, intelligent and simple viticulture. It respects a demanding quality charter: high proportion of old vines, controlled yields, careful manual harvesting with sorting of the grapes before a little interventionist vinification.

Aware of the richness and diversity of each plot, Vincent Bachelet endeavors to limit the interventions on his vintages in order to preserve the typicity of the terroir. The wines are made to enhance the elegance of the Chardonnay and the delicacy of the Pinot Noir. He also strives to bring the same attention and care to each cuvée. Thus, he raises all his wines in oak barrels and renews each year part of his barrel of futailles.

Chateau Fuisse (J J) Famille Vincent

The VINCENT family—owner of Château Fuisse for five generations since 1862—assures the continuity of the domaine. Thanks to the transmission of the family’s savoir-faire gained over three centuries, each generation has added land, improved quality and enhanced the worldwide renown of the wines of Château de Fuisse.

The Château de Fuisse’s vineyards, located in southern Burgundy, cover more than 40 hectares (+100 acres) spanning five appellations, including:

Pouilly-Fuisse : 25 hectares/62 acres, Saint-Véran : 8 hectares/20 acres, Mâcon-Villages : 3 hectares/7.5 acres, Mâcon-Fuisse : 1 hectare/2.5 acres, Bourgogne-Blanc : 0.5 hectares/1.2 acres, Julié纳斯 : 3 hectares.

Since 1985, in addition to the Château-Fuisse wines, we have introduced a range of complementary wines. These wines are made from carefully selected fruit from mostly family-owned vineyards and are vinified with the same expertise and passion as our wines of Château-Fuisse. Under the VINCENT signature, these wines are produced from Pouilly-Fuisse, Mâconnais appellation, selected crus of Beaujolais as well as the Crémant de Bourgogne appellation.

DWWA 2020: Best Burgundy wines

White

Château de Fuissé, Pouilly-Fuissé Tête de Cuvée 2018 Platinum, 97 points

Brimming with ripe yellow plums and nectarines with candied lemon/lime citrus and honeysuckle; delightfully pure and harmonious with a warming creamy oak consistency and a lovely deft finish. Long and luxurious.

Edmond Tacussel founded Clos Saint Jean in 1900. The estate takes its name from the lieux-dits Cabane de de Saint Jean and Coteaux de Saint Jean. It is now managed by his great grandsons Vincent and Pascal Maurel.

The brothers have made extensive changes to their winemaking and commercial operations since 2002, and are now among the appellation's most successful producers. The estate also brought Philippe Cambie on board as consultant oenologist.

It is one of the largest winegrowers in the appellation, with over 43 ha of vines. Many of the vineyards are in the southwestern part of the appellation, around Bedarrides.

The domaine first produced two special cuvees, La Combe des Fous and Deus Ex Machina in 2003, and a third wine, Sanctus Sanctorum, in 2007. Clos Saint Jean has a single hectare of white wine varieties (1/3 Grenache Blanc, 1/3 Clairette, and 1/3 Roussanne). After pressing the grapes are half fermented in tank and half in new and previously-used barrels.

Clos Saint Jean Chateauneuf du Pape is made from 75% Grenache, 15% Syrah, 4% Mourvedre, 3% Cinsault, 2% Vaccarese and 1% Muscardin. The production is close to 7,000 cases per year.

Clos Saint Jean La Combe des Fous comes primarily from old vine Grenache planted at the start of the 20th century. The blend is usually 60% Grenache, 20% Syrah, 10% Cinsault and 10% Vaccarese.

Clos Saint Jean Deus ex Machina is made with 60% Grenache and 40% Mourvedre. The old vine Grenache is aged in vat and the Mourvedre is aged in 100% new and used French oak barrels. The production is limited to 500 cases per year.

Clos Saint Jean Sanctus Sanctorum is produced from 100% old vine Grenache that was planted over 100 years ago. This small production wine is available only in magnum. For 2007, the debut vintage, just 350 magnums were produced. Try finding a bottle, it is worth the effort a price.

Clos Saint Jean Chateauneuf du Pape Blanc is produced from equal parts Grenache Blanc, Roussanne and Clairette. The wine is aged in a combination of new, French oak barrels and vats. The production is quite small with than less than 350 cases made per year.

Tommasi is a family viticultural company founded in 1902.

It is situated in Pedemonte, in the heart of Valpolicella Classico region, a small piece of land in the North – West of Verona, between the plains and Lessini mountains and near Garda lake.

Tommasi Family Estates represents the family project aimed at producing excellent wines in the most vocated Italian lands. Since 1997 the 4th generation enriched its properties selecting outstanding terroirs outside the native Valpolicella Classica boundaries. The Tommasi property extends over 570 hectares in Italy's four finest Italian wine regions:

- Tommasi Viticoltori, Verona - Veneto*
- Tenuta Caseo, Oltrepò Pavese - Lombardy*
- Podere Casisano, Montalcino - Tuscany*
- Poggio al Tufo, Maremma Toscana - Tuscany*
- Masseria Surani, Manduria - Apulia*
- Paternoster, Barile - Basilicata*

The Azienda Agricola Azelia, in the centre of the area of Barolo production, is nowadays composed of 16 hectares and it produces, on average, 80,000 bottles per year. Luigi is supported by his wife Lorella and his son Lorenzo, who bears the name of his grandfather and who represents the fifth generation of wine producers. The family management is essential as it permits an extreme precision in every step of the production.

Great care is given to the work in the vineyards. Wine is made there from old vines which produce very few grapes. The low yields are further reduced through the green harvest, indispensable to select fruits, to have a uniform ripening and an impeccable quality.
